**ITT Vocational Training Centre – Corporate Org.**

# Introduction

T4 Life is a Rotary funded Project under Global Grant No. 1985875.

The project aims at contributing to the reduction of incidence of diseases arising out of unsafe management of human faecal matter in public places and schools by implementing the following activities;

- a) **Construction of 5 septic toilets;** The project is constructing toilets at Bugiri Hospital, 2 in public places and 2 in schools to ensure proper disposal of human excrement in public places and schools.
- b) **Purchase of cesspool truck;** T4 Life project secured an **ISUZU** cesspool truck of 7500 litres capacity Reg. No. UBN 253B for emptying school and public toilets as a way of improving hygiene and sanitation through safe collection and disposal of faecal matter.
- c) **Training of 25 school WASH Committees, Facility Cleaners, Cesspool staff in Hygiene, Sanitation and Waste Disposal Management,** aimed at increasing participants' level of awareness of good hygiene and sanitation practices for reduced disease incidence.
- d) **Emptying Of public and school toilets to reduce incidence of diseases arising out of unsafe management of human faecal.**

### THE DIRECTORS,

ITT-BUGIRI-UG  
ROTARY INTERNATIONAL and  
ROTARY IGANGA

RE:NAMAYEMBA TOWN COUNCIL RESOLUTION ON PARTNERSHIP WITH ITT AND ROTARY INTERNATIONAL ON THE CONSTRUCTION OF A MODERN TOILET WITH SHOWERS,RESTAURANT AND LAUNDRY.

Namayemba Town Council sitting on 11<sup>th</sup> august 2023 under minute No:4/exec/11/08/2023,at their council offices resolved on their partnership with the above organizations and project.

The resolution was that they offer land measuring 50ftx 100ft on market land which the above project will be constructed.

The partnership is intended to improve the relationship of the two organizations, rotary and Namayemba town council.

The project also will reduce on the spread of diseases of vendors and local population.

Hygiene and sanitation will be improved both in and around the market.

The meeting also instructed Town clerk to work hand in hand with ITT and rotary for guidance and more support on the project.

The purpose of this communication therefore is to confirm the above resolution and give assurance also the readiness to receive the project.

Yours

Town clerk

Musoby Bashir Abdallah

Cc. Mayor

Cc. Speaker

### EXECUTIVE COMMITTEE MEETING HELD ON 11/08/2023.

#### AGENDA.

1. Prayer
2. Communication from the chair
3. Reading of the previous minutes
4. Discussion of the partnership of Rotary international and ITT with Namayemba Town Council on the construction of the modern toilet with showers,a restaurant and a laundry point at central market.
5. Reactions and way forward
6. Closure

Mr Bogere Stephen adopted the agenda and was seconded by Hon Anton.

#### MIN 1 /EXEC/11/08/2023: PRAYER

The opening prayer was read by Hon Bogere Stephen who thanked God for the life and leadership he has given to the members. He committed the members before

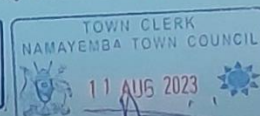

God and requested that whatever is going to be discussed be put into implementation.

#### MIN 2/EXEC/11/08/2023: COMMUNICATION FROM THE CHAIR

He welcomed the members and thanked them for positively responding to it on the urgent call I made.

He said that little will be discussed in this meeting because we have another meeting next week. He said we have not been having meetings but hope to have them.

He said that this meeting is called in a hurry because the town clerk got a lot to tell that's he has friends/investors who have come in to help in the construction of executive toilet for town council.

# Namayemba Town Council, Council Resolutions and communication for site.

He requested that the town clerk should continue with the same heart and continue befriending and lobbying others for the good of Namayemba town council.

The project will boost Namayemba central market and reduce on the related diseases as a result of poor sanitation in the market.

He requested that let the meeting embrace the project and make it an achievement during our term of office.

He requested to members that they should keep secrets about the issues of the council so that the community can fill that the government have come in to development of Namayemba town council.

## MINUTE EXTRACT

### MIN 4/EXEC/11/08/2023: DISCUSSION OF THE PARTNERSHIP.

The whole meeting anonymously passed a resolution to have partnership with Rotary and ITT to construct a modern toilet with showers, a restaurant and a laundry for Namayemba Central Market in Namayemba town council.

The town clerk informed the members that we have a friend who works with Rotary international in USA. However this friend helped us and talked to the Rotary management to help and provide Namayemba town council with a modern toilet with other facilities.

This meeting is supposed to come up with resolutions that allow the Rotary people to start the project clearly explaining the need of the project. He emphasized that immediately we make the resolution as council and forward to them the activity immediately starts.

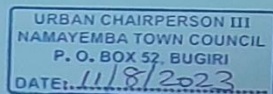

He added that the toilet will have four stances, two for male and two for females with two birth rooms plus a toilet for the PWD, Restaurants and laundry.

He said that the town council will employ workers in the restaurants and laundry to ensure that the little collection will help to run the project.

He told the Rotary group that we shall be having 800 people on a market day and 400 people daily.

The Town clerk informed members that the toilet will have water tank and electricity in the area.

They requested that we give them an area that can be used to construct the toilet.

*Handwritten signature*

The town clerk proposed that 50 x 100 feet plot is enough but they wanted 50 x 150 feet awaiting their final plans of the project.

Hon Antoni Bwire Pamba secretary for works proposed to members that having got enough explanation from the town clerk and looking at the advantages of the project to the development of Namayemba Town Council, we pass a resolution to allow the partnership of the Rotary and ITT on the construction of the modern toilet with showers, a restaurant and a laundry in Namayemba central market in Namayemba town council.

## RESOLUTIONS:

- The executive members resolved that the town clerk should allocate enough land for the Rotary project depending on the designs.
- The town clerk should work with rotary and ITT to guide them on the size of land for the modern toilet to match with our market plans and the physical designs of the town.

### MIN 6/EXEC/11/08/2023: CLOSURE

The chair thanked the town clerk for the good work is doing because most of the town clerks just wait for the government to plan but is one who works without money and continue planning for the town. Therefore we should thank him for that.

He also thanked the Hon members for attending the meeting and for their deliberations and requested them to embrace the project.

The meeting was closed at 12:13pm
